HAVE A SAFE AND RESTFUL SUMMER!!!

AUGUST 31 1st DAY OF CLASSES FOR 2009/2010 SCHOOL YEAR

PRINCIPAL'S MESSAGE - Mrs. T. Bullin – Summer is almost here! This year has gone by so quickly. We wish all of our Grade Six students the best of luck in Junior High. We are sure that your diligence and hard work will pay off with much success in the future. Always remember to come back and visit us.

We would like to thank our parents for their support, encouragement and volunteerism, because without you many projects would not exist. It has been very rewarding to work with our School Council, Spirit Day Co-ordinators, Parent Association, the Lunch Ladies and the After School Program. All of you have done an outstanding job for the Students, Staff and Parents of this community. We thank you.

Thank you also to all the staff at Ross Glen School for the many wonderful things you do. Besides providing an exemplary academic program, the staff takes on many responsibilities that nurture the holistic development of our children. Everyone has contributed to the success this year. The support staff, the extended school program staff and the professional staff all deserve a round of applause.

A big thank you to all those who helped make our pancake breakfast a success. We hope our volunteers appreciated the breakfast. We can never thank our volunteers enough for the fabulous things they do for our classrooms. We will see you all in September!

Thank you to all those parents who helped with the Staff Appreciation Luncheon. We had a fabulous time and the food was outstanding! Of course you know that we all "love to eat"! Each and every morsel of food was delectable. Thank you again for showing us your appreciation.

On Friday, June 5, 2009 our **Grade four students** travelled to the Esplanade to take part in some **Environmental Week** activities. We used the City Transit to travel to and from the Esplanade (this was free of charge). The drivers were very gracious and we would like to thank them for the trip.

While at the Esplanade, the students planted marigolds. These were delivered to the school so that students could take them home. The individuals in the planting tent were very friendly and patient. We would like to thank them for their help.

Despite the rainy weather, it was a great day!

THE GRADE 6 CLASSES WILL BE PERFORMING THE MUSICAL *DATELINE; ROCK AND ROLL* for the school the afternoon of June 25, following the intramural awards ceremony.

The musical takes us through the events of the world including the musical hits of the 50's, 60's, 70's, 80's and 90's, and 2000, and will bring back memories of your favorite songs from that decade!

We invite you to join us for this musical.
